7 Scullamus Moss

DiscoverScotland tours

7 Scullamus Moss sits just outside of the village of Broadford. The 2 double rooms in this property are above the family home of your hosts Jamie & Alana. You'll receive a keycode to obtain your key from the private guest entrance.

The double ensuite rooms have a small kitchenette with a sink, kettle, toaster and mini fridge. A selection of self service breakfast items will be provided for you to enjoy. If you have any dietary requirements, please inform Discover Scotland Tours and they will be catered for.

As this property is outside of Broadford, it's in a more rural location with beautiful views. It is a 10 minute walk to the Hebridean Inn where you can get a drink or you can opt to walk further into Broadford itself for food. Please see our Breakish & Broadford Guides for a map of the local restaurants and supermarket.
