BREAKISH & SKULAMUS GUIDE

The only way to Discover Scotland...

ENJOY A MEAL

The Breakish area is very rural. This means it benefits from especially beautiful scenery but has limited facilities. The restaurants and supermarket can be found in the nearby Broadford. On your first night in the area, your Tour Leader will need to drop you off at your B&B to check in but for your other night(s) you could be dropped off in Broadford if you prefer. You would then make your own way to your B&B later in the evening. Further information on Broadford can be found in the Broadford Guide.

NEED A LIFT?

Many of our passengers opt to visit the nearby restaurants on foot when staying in this area. The restaurants in the east of the village of Broadford are within a 30 minute walk, there are also others further into the village. If you would prefer to take a taxi, you would need to pre-arrange this due to the limited number of taxis in the area. We normally advise restaurant bookings to be made for 7.30pm onwards. Please find local taxi numbers below.

Munro Highlands Hire - +44 7818 446 962 / +44 1599 53 43 53

Clan Mcfadyen Taxis - +44 7951190886
