Marble Cottage

DiscoverScotland tours

Marble Cottage has a lovely view over Broadford Bay and islands to the Torridon hills and Applecross Peninsula. Across the road is the footbridge over the rivermouth and path to the pier and beyond to Irishman's Point.
The house has been extended since 1907 from being the office for the Skye Marble Co (and railway) and has been the proprietors family home for 40 years.

The guest dining room/lounge is where breakfast is served. Guests can bring takeaway food, ready meals etc to eat in the dining room which has fridge, microwave, kettle, toaster, cutlery and crockery.
Please let Discover Scotland Tour know if you have any dietary requirements that the B&B should be made aware of.

It is in easy reach of local restaurants, pubs, and shops. Please see our Broadford Guide for a map of the local restaurants and supermarket.

Please note there is a dog which lives in the proprietor's part of their home (not guest rooms).
